QGIS Application - Feature request #7810
update inputs lists after running a module

2013-05-12 09:54 AM - Giovanni Manghi

Status:	Closed			
Priority:	Normal			
Assignee:	Victor Olaya			
Category:	Processing/Core			
Pull Request or Patch supplied:	No	**Resolution:**	fixed/implemented	
Easy fix?:	No	**Copied to github as #:**	16699	

Description

It seems that after running a module (and the result added automatically to the toc) that the module input lists are not update. There are cases where the user would like to re-run the same module with the newly created layer.
