

QGIS Application - Bug report #7925

WMS Layers: opacity value not restored when loading project

2013-05-28 07:22 AM - Andreas Neumann

Status:	Closed	
Priority:	Severe/Regression	
Assignee:	Jürgen Fischer	
Category:	Rasters	
Affected QGIS version:	master	Regression?: No
Operating System:		Easy fix?: No
Pull Request or Patch supplied:		Resolution:
Crashes QGIS or corrupts data:		Copied to github as #: 16796
Description		
<p>When adding a WMS layer to a project and setting the opacity value and saving the project, the opacity value seems to be saved in the project file.</p> <p>However, when opening the project again, the opacity value is not correctly restored.</p>
