QGIS Application - Bug report #8015
Misleading error message in Oracle provider

2013-06-07 01:04 AM - Paolo Cavallini

Status:	Closed			
Priority:	Low			
Assignee:	Jürgen Fischer			
Category:	Data Provider/Oracle			
Affected QGIS version:	master	**Regression?:**	No	
Operating System:		**Easy fix?:**	No	
Pull Request or Patch supplied:		**Resolution:**		
Crashes QGIS or corrupts data:	No	**Copied to github as #:**	16861	

Description

When loading a table and a SRID is not selected, the error message is misleading (select a table instead of select a srid)

History

Please provide verbatim information.

#2 - 2013-06-07 04:16 PM - Jürgen Fischer

- Status changed from Open to Feedback

#3 - 2013-06-10 10:39 AM - Paolo Cavallini

I have no longer access to the Oracle instance, so I cannot paste precise working here. Sorry about that.

#4 - 2013-06-11 12:44 AM - Jürgen Fischer

BTW http://www.oracle.com/technetwork/topics/linux/xe-on-kubuntu-087822.html should still work (note only for i386).

- Status changed from Feedback to Closed

closing for the lack of feedback

#6 - 2015-01-11 12:39 AM - Paolo Cavallini

IMHO this should not be closed: the fix is very easy (replacing `table` with `SRID`), once the string is found.
