

QGIS Application - Feature request #8017

Easier SRID selection in Oracle

2013-06-07 01:08 AM - Paolo Cavallini

Status:	Open	Resolution: Copied to github as #: 16863
Priority:	Normal	
Assignee:		
Category:	Data Provider/Oracle	
Pull Request or Patch supplied:	No	
Easy fix?:	No	
Description		
Loading a table, one has always to select a SRID (if not defined correctly in the table). This is rather cumbersome, so: <ul style="list-style-type: none">- wouldn't it be better to remember the SRID used for each table?- it would be better to put the last used SRID as a default for new tables		

History

#1 - 2013-06-16 06:13 AM - Jürgen Fischer

- Tracker changed from Bug report to Feature request

#2 - 2014-06-23 08:24 AM - Paolo Cavallini

- Subject changed from Easier SRID selection to Easier SRID selection in Oracle

#3 - 2017-05-01 12:48 AM - Giovanni Manghi

- Easy fix? set to No

#4 - 2017-09-08 01:35 PM - Jürgen Fischer

- Assignee deleted (Jürgen Fischer)

#5 - 2018-02-24 01:35 PM - Paolo Cavallini

- Description updated

I assume still valid on QGIS 3; unable to check, as I no longer have Oracle available.
