| <p>Seems tests still not switched to SIP API v2, see <a href="http://dash.orfeo-toolbox.org/testDetails.php?test=17042104&amp;#38;build=123717">http://dash.orfeo-toolbox.org/testDetails.php?test=17042104&amp;#38;build=123717</a> and <a href="http://dash.orfeo-toolbox.org/testDetails.php?test=18029165&amp;#38;build=123716">http://dash.orfeo-toolbox.org/testDetails.php?test=18029165&amp;#38;build=123716</a>. Maybe this is the reason why accessing fields by name doesn't work in tests.</p> |                   |                                     |

#### Associated revisions

##### Revision 51074d7b - 2013-07-19 09:59 PM - Jürgen Fischer

test fixes:

- port python test to sip api v2 (fixes #8314)
- introduce compareWkt for more tolerant WKT comparisons in C++ tests
- require UTF-8 locale for regression1141 test on linux

#### History
