

QGIS Application - Feature request #833

Labels text changing method difficult to guess

2007-11-23 11:36 AM - cdavila -

Status:	Closed	
Priority:	Low	
Assignee:	nobody -	
Category:	GUI	
Pull Request or Patch supplied:		Resolution: fixed
Easy fix?:	No	Copied to github as #: 10892
Description		
<p>If you try to change default text of a label added in map composer by pressing tab, clicking on another place of the dialog (Font button, Box checkbox, etc.) it can take a long time to find out that the only way to change labels text is pressing Intro.</p> <p>IMHO it would be better that text change happen just sending focus out of the text box by any of the habitual methods mentioned above.</p>

What version are you using? Since version , changes to the label text happen as the text is edited in the details pane. No tabs, no changing of focus, etc are necessary.

#2 - 2007-11-23 12:35 PM - cdavila -

Version is 0.9~svn20071122-1, just a little older than , so it must be fixed now.

Thanks

#3 - 2007-11-23 12:38 PM - Gavin Macaulay -

- Resolution set to fixed
- Status changed from Open to Closed

Is fixed now.

#4 - 2009-08-22 12:52 AM - Anonymous

Milestone Version 0.9.1 deleted
