

QGIS Application - Feature request #8378

Allow to stop drawing in Composer window

2013-07-29 07:29 AM - Régis Haubourg

Status:	Closed	
Priority:	Normal	
Assignee:		
Category:	Map Composer/Printing	
Pull Request or Patch supplied:		Resolution: wontfix
Easy fix?:	No	Copied to github as #: 17151
Description Hi, when refreshing composer for large projects, being able to stop drawing (escape key + button) would be very convenient. Arcgis 10 behaviour is not bad also. It computes drawing and stops drawing if user tries to use GUI for something else. Régis

Could be closed, 2.4 is so fast that it is not so important now.

#2 - 2014-06-23 06:44 AM - Giovanni Manghi

- Resolution set to wontfix
- Status changed from Open to Closed
