

QGIS Application - Bug report #8540

1.9 does not render the workshop van der Grinten

2013-09-01 10:18 AM - Gavin Fleming

Status:	Closed	
Priority:	Normal	
Assignee:		
Category:	Projection Support	
Affected QGIS version:	master	Regression?: No
Operating System:		Easy fix?: No
Pull Request or Patch supplied:	No	Resolution: invalid
Crashes QGIS or corrupts data:	No	Copied to github as #: 17291
Description		
<p>In the linfiniti workshop, an exercise is to create the van der Grinten CRS as a custom CRS using Anita Graser's blog example on the workshop's 'oceans' shapefile. Doing this in master with the same dataset however results in incorrect rendering. See attached screenshot in EPSG:54029. And in EPSG:53029 the rendering is also incorrect, although different errors than 54029.</p>		

History

#1 - 2013-09-01 10:20 AM - Giovanni Manghi

- Status changed from Open to Feedback
- Category set to Projection Support

can you post a link to the workshops?

#2 - 2014-06-22 02:43 AM - Giovanni Manghi

- Resolution set to invalid
- Status changed from Feedback to Closed

closing for lack of feedback.
