

QGIS Application - Feature request #8967
Implement createEmptyDataSource for other providers

2013-10-30 04:45 PM - Nathan Woodrow

Status:	Open	Resolution: Copied to github as #: 17630
Priority:	Normal	
Assignee:		
Category:	Data Provider	
Pull Request or Patch supplied:	No	
Easy fix?:	No	
Description		
Would be nice to implement createEmptyDataSource for the other providers, mainly the database ones and memory provider. Having this implemented would make it easier to create a generic New Vector Layer... dialog which can create a layer of different types.
