## QGIS Application - Feature request #9192
## WMS/WCS - titlebar should state what the dialog does

**Description**

For both the WMS/WMTS and WCS add-layer dialogs, the text at the top of the box says "Add Layer(s) from a Server". Which is very generic. Could it not instead say "WMS/WMTS" and "WCS" as applicable.

So "Add Layer(s) from a WMS/WTMS Server" - WFS and Oracle already do this.

**Revision 36c2f7f3 - 2013-12-11 02:20 PM - Jürgen Fischer**

WMS/OWS:

- add service type to window title (implements #9192)

- always fill dpi combobox (fixes #9194)
