| I detected some very unexpected shortcuts that might can be fixed. Currently:<br>- CTRL+F -> fullscreen<br>But expected would be:<br>- CTRL+F -> find (or F3 or both)  | Crashes QGIS or corru <b>pts</b> data: |                                    | Copied to github a         | Copied to github as #: 17886 |  |
| <ul> <li>CTRL+F -&gt; fullscreen</li> <li>But expected would be:</li> <li>CTRL+F -&gt; find (or F3 or both)</li> </ul>   | Description                            |                                    |                            |                              |  |
| But expected would be:<br>- CTRL+F -> find (or F3 or both)   | I detected some v                      | ery unexpected shortcuts that migh | t can be fixed. Currently: |                              |  |
| - CTRL+F -> find (or F3 or both)   | - CTRL+F -> fu                         | ullscreen                          |                            |                              |  |
|  | But expected wou                       | ıld be:                            |                            |                              |  |
| - F11 -> fullscreen  | - CTRL+F -> fi                         | nd (or F3 or both)                 |                            |                              |  |
|  | - F11 -> fullscr                       | een                                |                            |                              |  |

## History

## #1 - 2013-12-30 03:23 PM - Alvaro Huarte

- Assignee set to Alvaro Huarte

#### #2 - 2013-12-30 03:47 PM - Alvaro Huarte

- Pull Request or Patch supplied changed from No to Yes

- Resolution set to fixed/implemented

This pull request fix this shortcuts:

https://github.com/qgis/QGIS/pull/1047

### #3 - 2013-12-30 04:04 PM - Alvaro Huarte

#### - Status changed from Open to Resolved

- % Done changed from 0 to 100

pull request #1047 (https://github.com/qgis/QGIS/pull/1047) merged :-)

#4 - 2013-12-31 12:28 AM - Noone Noone

Muchas gracias Alvaro! :)

#5 - 2014-01-02 12:08 AM - Alvaro Huarte

:-)

#### #6 - 2014-01-02 04:42 PM - Nathan Woodrow

- Status changed from Resolved to Closed
