QGIS Application - Bug report #956
Spatial Bookmarking functionality fails when using special characters in bookmark name

2008-02-20 05:23 AM - Andreas Neumann

Status:	Closed			
Priority:	Low			
Assignee:	nobody -			
Category:	GUI			
Affected QGIS version:			**Regression?:**	No
Operating System:	Debian		**Easy fix?:**	No
Pull Request or Patch supplied:			**Resolution:**	fixed
Crashes QGIS or corrupts data:			**Copied to github as #:**	11015

Description

If you use german Umlauts (e.g. ä,ö,ü) or french accents (é,è,ô) etc in the name for a spatial bookmark the bookmark doesn't get recorded. Umlauts are very common in german language and especially for place-names, so this should really work.

I tested both in Linux Ubuntu (9.2 SVN version) and 9.1 (Windows). Both seem to fail.

Thank you for looking at this bug!
