<b>Description</b>  Attribute Table - combine Start/Stop Editing buttons into one button, like Toggle Editing for features in main window. Also use an icon similar to the pencil, but maybe should be different from the feature editing to minimize confusion.  This would make for a more consistent user experience.		

**History**

**#1 - 2008-07-28 01:16 PM - Tim Sutton**

- Resolution set to fixed
- Status changed from Open to Closed

Fixed in commit:8b24e296 (SVN r8946). Left button in text mode though.
