

## QGIS Application - Feature request #9922

### Marker placement options for marker line should be checkboxes

2014-03-28 04:38 AM - Anita Graser

<b>Status:</b>	Open	<b>Resolution:</b> <b>Copied to github as #:</b> 18433
<b>Priority:</b>	Normal

<b>Category:</b>	Symbology	
<b>Pull Request or Patch supplied:</b>	No	
<b>Easy fix?:</b>	No	
<b>Description</b>		
<p>Currently, all options are radio buttons. The user cannot - in one symbol layer - put the same symbol e.g. on the first and the last vertex. The symbol layer has to be duplicated to achieve this. I think that's unnecessary and more difficult to maintain. Therefore, I suggest to use checkboxes instead of radio buttons for the options "on first vertex", "on last vertex" and "on central point".</p>

- *Status changed from Closed to Open*
- *Tracker changed from Bug report to Feature request*
- *Resolution deleted (end of life)*

I still think it would make more sense to have checkboxes in the GUI.
