

QGIS Plugin Site - Bug report #9929

QGIS logo is clickable but does not link anywhere

2014-03-28 06:44 AM - Anita Graser

Status:	Closed	
Priority:	Normal	
Assignee:	Alessandro Pasotti	
Category:		
Pull Request or Patch supplied:	No	
Description		
The logo in the top menu should either not be clickable, or it should take the user to qgis.org or plugins.qgis.org ...
